Loyal Bergman Auto Craft Customers,

We are proud to announce Bergman Auto Craft and Autosport Designs, Inc., at 203 West Hills Road, Huntington Station, NY, (www.autosportdesigns.com) are joining forces in an effort to better serve our clients. Autosport Designs has been servicing, restoring and selling vintage and classic cars of all makes and models for over 26 years. Combined with our knowledge, experience and expertise in specialty American vehicles, the combined team will be able to serve our clients on a personal basis regardless of the size of the project.

We will be moving our facility July 1st 2016. The Autosport Designs facility, with over 50,000 square feet of space will house the combined company. Furthermore, we are now able to offer vehicle storage, consignment services, custom machining, bodywork, interior, detailing and enclosed transport services all under one roof. Akin to the meeting of the minds, we will have more ability under one roof than any competitors can offer.

Please do not hesitate to call or email with any and all questions.

Sincerely,
